Dear Occupant:

We have been selected by your Building Management to provide Pest Control services for Roaches in your home. In order to do the best possible job for you we will need your help and assistance. We would like you to do the following prior to our service.

Kitchen Remove *Everything* from all cabinets and drawers, also on top of refrigerator. Under the sink, access is very important. If cabinets and drawers need to be washed, please do this before treatment.

Bathroom Remove *Everything* from under sink, and in cabinets.

Bedrooms Remove *Everything from the closets.* ALSO REMOVE ALL ITEMS FROM HALL CLOSETS.

You do not need to leave your unit for this service.

Preparation must be completed before our arrival in order for treatment to be done. NO EXCEPTIONS. If preparation is not completed a fee may be assessed by your manager or management company.

The roach has different stages in its life cycle and no single insecticide treatment can eliminate all the stages at one time.

If you are having activity after 30 days from our treatment, notify your complex manager. No additional treatment will be done within this 30 day period.

We are scheduled to service on _____ - _____ [] AM [] PM

We apologize for our inconvenience to you, however to fully treat your unit we need these items done. If you have any questions contact our office for more information. Please identify yourself and which complex you live at when you call. That will help us provide the information that you request promptly. Our hours are 8:30-5:00 Monday through Friday.

Regards,
